Starting October 3...Bartell Drugs' "Health & Beauty Week" features flu shots, mammography screenings, cosmetic demonstrations and hairstyling tips

Fall event features beauty and hair styling demonstrations

SEATTLE--[Bartell Drugs](#) celebrates healthy and beautiful living during its "Health & Beauty Week" October 3-9 at select Bartell's locations in King, Pierce and Snohomish counties. Activities will include flu shot clinics, free beauty "mini makeover" demonstrations and hair styling tips.

The week-long series of activities includes mobile digital mammography screenings by Evergreen Hospital Medical Center October 5-8 at Bartell's Bella Bottega, Crossroads, Seattle Hill Road and Silver Lake store locations.

Bartell's will be offering in-store seasonal flu vaccination clinics, as well as shots for walk-ins and by appointments at 14 Bartell's locations throughout the week. For locations, or to schedule an appointment, visit <http://www.bartelldrugs.com/health/fighttheflu.html>

With a focus on the latest colors and products for Fall, cosmetologists will give "mini makeovers" at 20 Bartell's stores featuring products from Cover Girl, Sally Hansen, Physicians Formula, and L'Oreal. Conair® will also host hair styling demonstrations spotlighting the latest hair styling tools and tips.

For more information on participating store locations and schedules, visit <http://www.bartelldrugs.com>.

Bartell's and Evergreen Hospital Medical Center have teamed up to provide mobile digital mammography screenings to support the early detection of breast cancer. Using the same digital mammography equipment as the Breast Center at Evergreen Hospital, the mobile unit includes private changing room and analysis by board-certified breast radiologists. On-site Evergreen staff will accept Medicare and most insurance plans. For locations and to schedule an appointment at a nearby Bartell's location, call 425-899-

2831 or visit
